- All income and asset information must be current as of the date of application. Your eligibility will be determined based on qualification at the time of application and again at the time of purchase.
- We can only accept a current valid pre-approval letter that indicates that your lender has independently verified your ability to purchase a home. - If you have any questions or encounter difficulties with submitting your application and pre-approval letter, please email Carol Marine at [cmarine@chapa.org](mailto:cmarine@chapa.org) or call (617) 690-8603.

- If your application is complete, eligible, and received prior to the deadline, it will be entered into a selection lottery with other applications. Lotteries are typically held the following business day after an application deadline. Applicants will be ranked according to the random order in which they are drawn. Applications will be weighted according to household size, with those households occupying more bedrooms receiving more entries into the lottery.

### Step 3: If You Are Selected

- **If you are the first randomly selected applicant, you will be contacted and required to submit all applicable documents on the Income and Asset Verification Document Checklist within 24 hours.**
- If all income and asset documents are received and you are eligible, you are provided the first opportunity to move forward with purchase. Other applications are maintained on a waiting list.
