

Are you interested in homeownership? Not sure where to begin?
Not sure if you are ready YET, but want to learn some basics?

We are offering a new class: **Introduction to Homeownership**.

This class will give you a basic understanding of budget and credit, what you need to know to get pre-approved and understanding the responsibilities of being a homeowner.

A FREE CLINIC

This class will be held on Tuesday October 7th from 6-8pm via ZOOM

Please contact Mary Matthews, Homeownership Coordinator for sign up information.

mmatthews@ghama.com

978-281-4770 x 110

*This class does not provide a certificate. If you are looking for a certificate that is required for many first time homebuyer programs, please reach out to Mary Matthews, Homeownership Coordinator to learn more about our First Time Homebuyer pre-purchase workshop.
